

**Product Name :**  
Muffle Furnace

**Product Code :**  
ENGLABINGCAG3900018

**Description :**

Muffle Furnace

**Technical Specification :**

Used for determining the loss on ignition of cement and building lime.

Technical Specifications :

Power: 4200 W

Max. temperature: 1200°C

Inside dimensions (lxwxh): 210x280x145 mm

Overall dimensions: 510x650x650 mm
