

Product Name :
Tensile Strength Testing Machine

Product Code :
ENGLABINGCAG4300013

Description :

Tensile Strength Testing Machine

Technical Specification :

Specifications:

Elongations: Up to 900 mm X 0.1 mm least count digital display

Range: 250 Kg with 0.1 kg least count digital display

Motor: ½ Hp, 1425 rpm, 220 V AC single phase induction motor
