

**Product Name :**  
Digital Penetrometer

**Product Code :**  
ENGLABINGCAG420009

**Description :**

Digital Penetrometer

**Technical Specification :**

Technical Specifications:

Programmable reference positions for holder assembly: 8

Programmable penetration time: 0-9999 sec

Programmable delay time: 0-999 sec

Penetration range: 0-50 mm

Penetration resolution: 0.01 mm

Tests simultaneously displayed: up to 6

Connections: USB port for test database and Lan port for PC connection

Overall dimensions (wxdxh): 360x410x680 mm

Weight approx.: 21 Kg
