**Product Name :**  
Straight Edge

**Product Code :**  
ENGLABINGCAG4200018

**Description :**

Straight Edge 3 Meters

**Technical Specification :**

This lightweight apparatus made up of mild steel or aluminum as per customers requirement and is equally supported at both ends producing a set height between the road surface & the beam.  
A straight edge approximately 3 meters in length may be used to determine lateral surface regularity of a road surface.  
Any vertical irregularity is measured using incremented wedges.
