Product Name : Straight Edge Product Code: ENGLABINGCAG4200018

## **Description:**

Straight Edge 3 Meters

## **Technical Specification:**

This lightweight apparatus made up of mild steel or aluminum as per customers requirement and is equally supported at both ends producing a set height between the road surface & the beam.

A straight edge approximately 3 meters in length may be used to determine lateral surface regularity of a road surface.

Any vertical irregularity is measured using incremented wedges.
