

Product Name :
Profile Projectors

Product Code :
ENGLABINGCAG2800010

Description :

Profile Projectors

Technical Specification :

SPECIFICATION:

Contour Illumination

24V–150W Halogen Lamp. Telocentric system and sharp twin lens condenser for each magnification bright adjustment.

Surface Illumination

12V – 50W Halogen lamp with reflector.

Magnification

10 x and 20 x.

Work Stage

Table 200x200mm. X & Y axis, Traverse 25mm in each direction having least count .01 mm.

Magnification Accuracy

± 0.1% for contour and ± 0.15 % for surface.

Screen Diameter

300mm. fine ground screen with cross line.

Rotatable

0 to 360° vernier reading 2 minutes.

Cooling System

Built in noiseless and vibration free blower for powerful cooling system

Power Supply

220 / 240V AC., 50 / 60 Hz., Fuse 5A.

Engineering Lab Equipment India
