

**Product Name :**  
Block Making Machine Hydraulic

**Product Code :**  
ENGLABINGCAG240017

**Description :**

Block Making Machine Hydraulic

**Technical Specification :**

High compressive strength  
Non-corrosive body  
Longer functional life  
Low power consumption  
Excellent finish  
Semi-Automatic, Manual & Automatic

Operation Type: Automatic  
Capacity (Blocks per hour): 800-1000  
Power: 5 HP  
Capacity: 1500 Blocks/Hour  
Automation Grade: Automatic  
Method: Hydraulic Pressure  
Block Type: Interlock & Paver
