

Product Name :
Block Making Machine Hydraulic

Product Code :
ENGLABINGCAG240017

Description :

Block Making Machine Hydraulic

Technical Specification :

High compressive strength
Non-corrosive body
Longer functional life
Low power consumption
Excellent finish
Semi-Automatic, Manual & Automatic

Operation Type: Automatic
Capacity (Blocks per hour): 800-1000
Power: 5 HP
Capacity: 1500 Blocks/Hour
Automation Grade: Automatic
Method: Hydraulic Pressure
Block Type: Interlock & Paver

Engineering Lab Equipment India
