Product Name :Block Making Machine Hydraulic

Product Code: ENGLABINGCAG2400017

Description:

Block Making Machine Hydraulic

Technical Specification:

High compressive strength
Non-corrosive body
Longer functional life
Low power consumption
Excellent finish
Semi-Automatic, Manual & Automatic

Operation Type: Automatic

Capacity (Blocks per hour): 800-1000

Power: 5 HP

Capacity: 1500 Blocks/Hour Automation Grade: Automatic Method: Hydraulic Pressure Block Type: Interlock & Paver

Engineering Lab Equipment India
