

Product Name :
Level Measurement Trainer

Product Code :
ENGLABINGCAG2600008

Description :

Level Measurement Trainer

Technical Specification :

Measuring Tank: Acrylic tank of 60cms length

Measuring Range: 50 cms

Water Pump: FHP vertical pump

Source Tank: Metallic tank with EPI coating

Display: 3.5 digit seven segment LED display

Excitation: 10 V DC

Sensor: LOAD CELL with rod suspended

Tare: Front panel Zero adjustment through Potentiometer

Calibration: Front panel cal adjustment through Potentiometer

Power required for operation :

230V, 50Hz, 1 phase

230V, 60Hz, 1 phase

Engineering Lab Equipment India
