

Email: sales@engineeringlabequipments.com

Product Name:

Product Code: ENGLABINGCAG2600008

## **Description:**

Level Measurement Trainer

## **Technical Specification:**

Measuring Tank: Acrylic tank of 60cms length

Measuring Range: 50 cms Water Pump: FHP vertical pump

Source Tank: Metallic tank with EPI coating Display: 3.5 digit seven segment LED display

Excitation: 10 V DC

Sensor: LOAD CELL with rod suspended

Tare: Front panel Zero adjustment through Potentiometer Calibration: Front panel cal adjustment through Potentiometer

Power required for operation:

230V, 50Hz, 1 phase 230V, 60Hz, 1 phase
