

Product Name :
Fluid Friction Measurements

Product Code :
ENGLABINGCAG300013

Description :

Fluid Friction Measurements

Technical Specification :

-4 smoothbore pipes of different diameters ranging from 4.5mm I.D. to 17.2mm I.D.

38 tapping points

Artificially roughened pipe

90° bends (large & small radii)

90° elbow

90° mitre

45° elbow, 45° Y, 90° T

Ball valve

Inline strainer

Sudden enlargement

Sudden contraction

Gate valve

Globe valve

Perspex Venturi

Perspex orifice meter

Perspex pipe section with a Pitot tube & static tapping

Engineering Lab Equipment India
