

Product Name :
Journal Bearing Apparatus

Product Code :
ENGLABINGCAG320007

Description :

Journal Bearing Apparatus

Technical Specification :

FEATURES:

Equipment Layout: On Base
Fine finish
Operated: Manually (Through a Crank Handle)
Simple operations
Functional accuracy

SPECIFICATIONS:

Displacement 210 cc
Power 4 hp Direct Injection
Camshaft in the Crankcase
Injection Pump
Injector
Overhead Camshafts
RPM Regulator
Toroidal Oil Pump
Silencer

Engineering Lab Equipment India
