## **Product Name :** Journal Bearing Apparatu

## Product Code : ENGLABINGCAG320000

### **Description :**

Journal Bearing Apparatus

#### **Technical Specification :**

FEATURES: Equipment Layout: On Base Fine finish Operated: Manually (Through a Crank Handle) Simple operations Functional accuracy

SPECIFICATIONS: Displacement 210 cc Power 4 hp Direct Injection Camshaft in the Crankcase Injection Pump Injector Overhead Camshafts RPM Regulator Toroidal Oil Pump Silencer
