

Product Name :
Fuel Injection and Engine Management Test Bench

Product Code :
ENGLABINGCAG3400010

Description :

Fuel Injection and Engine Management Test Bench

Technical Specification :

Specification :
Automation Grade: Automatic
Material: Mild Steel
Frequency (Hz): 50
Speed (rpm): 50-400 rpm
Power (kilowatt): 11 kw
Output Voltage: 220V/380V
