Product Name :Band Saw Brazing Machine

Product Code:
CHINAELABC0040012

Description:

Band Saw Brazing Machine

Technical Specification:

Band saw width: 25 – 150mm
Rake angle: -10o to +10o
Carbide cutting length: 1 – 5mm
Carbide cutting length: 4 – 12mm

Electronic dosing PLC Machine control

Rotary table

RF Generator: 5.6kW Temp Control Device With Water Cooler

Wood Workshop Portable TVET Lab Tool Band Saw Brazing Machine Manufacturer, Supplier and Band Saw Brazing Machine Exporter in India

Engineering Lab Equipment India
