**Product Name :**  
Combination Surface Planer and Thicknesser

**Product Code :**  
CHINAELABC0040013

**Description :**

Combination Surface Planer and Thicknesser

**Technical Specification :**

Working width: 410mm  
Max cutting depth: 6mm  
Surface tables total length: 2070mm  
Anodized surface fence: 1200 x 190

**THICKNESSING PLANER**

Working width: 410mm  
Workable length: 800mm  
Working height: 240mm  
Max. cutting depth: 7  
Feed speed: 6/12 m/min  
Exhaust hood diameter: 120mm  
Electricals: 3x400V  
Power 4kW – direct start  
Come with additional planer knives (3) and wheel kit

Wood Workshop Portable TVET Lab Tool Combination Surface Planer and Thicknesser Manufacturer, Supplier and Combination Surface Planer and Thicknesser Exporter in India
