**Product Name :**  
Radial Cross Cutting Machine

**Product Code :**  
CHINAELABC0040015

**Description :**

Radial Cross Cutting Machine

**Technical Specification :**

Power: 7.5 hp motor,  
550mm TCT saw blade  
510mm cutting length at 90  
210mm cutting depth at 90  
Horizontal axis +30 - 30  
Vertical axis ( beveling ) +30 - 60  
Automatic movement of horizontal and vertical axis via control keypad  
1000mm roller table left and right of saw  
2 x vertical pneumatic clamps  
Two hand start control  
3 x 120mm dust outlet  
99 cutting lists with 15 lines per list

Wood Workshop Portable TVET Lab Tool Radial Cross Cutting Machine Manufacturer, Supplier and Radial Cross Cutting Machine Exporter in India
