Product Name:
Radial Cross Cutting Machine

Product Code:
CHINAELABC0040015

Description:

Radial Cross Cutting Machine

Technical Specification:

Power: 7.5 hp motor, 550mm TCT saw blade 510mm cutting length at 90 210mm cuyying depth at 90 Horizontal axis +30 - 30 Vertical axis (beveling) +30 - 60

Automatic movement of horizontal and vertical axis via control keypad

1000mm roller table left and right of saw

2 x vertical pneumatic clamps

Two hand start control

3 x 120mm dust outlet

99 cutting lists with 15 lines per list

Wood Workshop Portable TVET Lab Tool Radial Cross Cutting Machine Manufacturer, Supplier and Radial Cross Cutting Machine Exporter in India

Engineering Lab Equipment India
