

Product Name :
Automatic Level

Product Code :
ENGLABINGCAG370008

Description :

Automatic Level

Technical Specification :

Automatic level (magnification 24X) feature enhanced reliability under all environmental conditions tough and compact bodies are more tightly sealed against water, humidity and dust.

Increased productivity over an extra-long period of time.

Reliable Automatic Compensator, Precise

Four superhigh tensile suspension wires and magnetic damping system ensure accuracy and stability even when exposed to temperature changes, vibrations, or shock.

Superior Telescope:

We provides automatic level exceptionally bright and sharp view that reduces operator's eye strain.

Ultra-short focus distance of 20cm (7.9in.) from end of telescope makes it easiest to use in confined locations.

Quick Collimation :

Two knobs of endless horizontal motion drives can be operated with either hand for fast and easy aiming.
