

Product Name :
Gauge Block

Product Code :
ENGLABINGCAG2600045

Description :

Gauge Block

Technical Specification :

FEATURES:

Grade 0 gage blocks supplied with a certificate of inspection.
High-carbon, high-chrome steel provides high hardness and wear-resistance
Identification number etched in block for traceability
Rectangular shape for accurate wringing
Nominal length (in inches) indicated with laser-etched, black characters

SPECIFICATION:

Measurement System: Inch
Inside Depth: 25 inches
Item Depth: 355 inches
Item Shape: Rectangular
Item Thickness: 355 inches
Item Volume: 38 cubic inches
Item Weight: 35 pounds
Length: 05 – 0.95 inches
Width: 181 inches
Material: Steel
Number of Items: 81

Specific Uses: For Product Gage Block Set

Engineering Lab Equipment India
