

**Product Name :**  
Thread Pitch Gauge

**Product Code :**  
ENGLABINGCAG2600050

**Description :**

Thread Pitch Gauge

**Technical Specification :**

**FEATURES:**

Durable stainless steel construction

Screw-pitch gauge measures metric and Whitworth screw pitches

52 leaves measure 0.25 to 6 mm 60-degree metric and 4 to 62 tpi 55-degree Whitworth thread pitches

Knurled knobs hold leaves in place to ease measurement

**SPECIFICATION:**

The screw pitch gauge has 52 leaves to measure metric and Whitworth screw pitches.

The 52 leaves measure 60-degree metric screws from 0.25 to 6 mm and 55-degree Whitworth screws from 4 to 62 threads-per-inch (tpi).

Two knurled knobs hold the leaves in place to ease measuring and the stainless steel construction is durable.

The gauge weighs 79 g.
