

Product Name :
Metric Metal Ruler

Product Code :
ENGLABINGCAG2600055

Description :

Metric Metal Ruler

Technical Specification :

FEATURES:

Material: Stainless steel

Type: Ruler

Size: Length: 15 cm, 30cm, 60 cm, 100cm

Color: Silver bottom + black scale

SPECIFICATION:

These rulers have the same tolerance and the same finish as above, but without the tap drill table on the back. They do have the mm-inch table.

These rulers have a raised edge on the right hand side to make picking it up from a flat surface easy.

Steel rulers also feature easy to read extra large numbers and read even larger numbers for the decimals.

The 15 cm and 30 cm rulers will lift up all the way; the 60 cm and 100 cm rulers only lift halfway up.
