

Product Name :
TVET Hydrafacial

Product Code :
ENGLABINGCAG570001

Description :

TVET Hydrafacial

Technical Specification :

Ultrasound head: promote microcirculation, skin rejuvenating
Multi-polar RF: compact shaping, face lifting
Bio microcurrent: let jaw line tightened, Bio raise the overall tightening of facial skin
Hydrodermabrasion: facial cleansing, peeling, pore cleansing
cold hammer : cold down skin after treatment
oxygen spray gun : skin rejuvenation
Parameters:
Vacuum range 80Kpa
Pressure:600mmHg,Handles:5pcs
Radio frequency 1Mhz, Bipolar
Lon lifting 500Hz (Digital Ion Lifting)
Ultrasound 1Mhz / 2W/cm2
User interface 8 inch Color Touch LCD
Input voltage 100~120V, 50/60HZ / 220~240V, 50/60HZ
Noise level 45Db
With 2 ultrasound working mode

Engineering Lab Equipment India
