

**Product Name :**  
TVET Hydrafacial

**Product Code :**  
ENGLABINGCAG570001

**Description :**

TVET Hydrafacial

**Technical Specification :**

Ultrasound head: promote microcirculation, skin rejuvenating  
Multi-polar RF: compact shaping, face lifting  
Bio microcurrent: let jaw line tightened, Bio raise the overall tightening of facial skin  
Hydrodermabrasion: facial cleansing, peeling, pore cleansing  
cold hammer : cold down skin after treatment  
oxygen spray gun : skin rejuvenation  
Parameters:  
Vacuum range 80Kpa  
Pressure:600mmHg,Handles:5pcs  
Radio frequency 1Mhz, Bipolar  
Lon lifting 500Hz (Digital Ion Lifting)  
Ultrasound 1Mhz / 2W/cm2  
User interface 8 inch Color Touch LCD  
Input voltage 100~120V, 50/60HZ / 220~240V, 50/60HZ  
Noise level 45Db  
With 2 ultrasound working mode
