Product Name:TVET Hvdrafacial

Product Code:
ENGLABINGCAG5700001

Description:

TVET Hydrafacial

Technical Specification:

Ultrasound head: promote microcirculation, skin rejuvenating

Multi-polar RF: compact shaping, face lifting

Bio microcurrent: let jaw line tightened, Bio raise the overall tightening of facial skin

Hydrodermabrasion: facial cleansing, peeling, pore cleansing

cold hammer: cold down skin after treatment

oxygen spray gun : skin rejuvenation

Parameters:

Vacuum range 80Kpa

Pressure:600mmHg,Handles:5pcs Radio frequency 1Mhz, Bipolar

Lon lifting 500Hz (Digital Ion Lifting)

Ultrasound 1Mhz / 2W/cm2

User interface 8 inch Color Touch LCD

Input voltage 100~120V, 50/60HZ / 220~240V, 50/60HZ

Noise level 45Db

With 2 ultrasound working mode

Engineering Lab Equipment India
