

Product Name :
Alarm Circuit Trainer

Product Code :
ENGLABINGCAG4700004

Description :

Alarm Circuit Trainer

Technical Specification :

The training platform adopts the frame structure of aluminum profile, and the units are flexible and easy to use and not easily damaged.

The experimental circuit and devices are fully configured and can be used in combination to complete the training contents of a variety of subjects.

The training platform has a good security system.

Fire alarm system installation: all aluminum alloy structure,
