

Product Name :
Solar Energy Trainer

Product Code :
ENGLABINGCAG4900006

Description :

Solar Energy Trainer

Technical Specification :

Training workbench with safety protection system.

Training table size: aluminum frame, aluminum alloy hanging box unit form, the bottom is with universal wheels, dimensions 1400mm x 700mm x 1500mm (LxWxH)

Single solar panel parameters are as follows:

Rated peak power: 30 W

Short circuit current: 1.9 A

Peak current: 1.7 A

The open circuit voltage: 18.5 V

Accumulator technology parameters:

Voltage: 12 V

Capacity: 12 Ah
