

**Product Name :**  
Solar Photovoltaic Energy Installation Kit

**Product Code :**  
ENGLABINGCAG4900008

**Description :**

Solar Photovoltaic Energy Installation Kit

**Technical Specification :**

Photovoltaic solar energy kit for the generation of electrical energy.

Composed of:

A photovoltaic inclinable panel, 90W, 12V, complete with a cell for measuring the solar irradiation and with a temperature sensor.

A supporting frame for the panel.
