Product Name:

Solar Photovoltaic Energy Installation Kit

Product Code:
ENGLABINGCAG4900008

Description:

Solar Photovoltaic Energy Installation Kit

Technical Specification:

Photovoltaic solar energy kit for the generation of electrical energy.

Composed of:

A photovoltaic inclinable panel, 90W, 12V, complete with a cell for measuring the solar irradiation and with a temperature sensor.

A supporting frame for the panel.

Engineering Lab Equipment India
