

**Product Name :**  
Advanced Maintenance Electrician

**Product Code :**  
ENGLABINGCAG500012

**Description :**

Advanced Maintenance Electrician

**Technical Specification :**

Motor start training  
Motor braking training  
Motor control training  
CA6140 lathe testing  
milling machine testing  
T68 boring machine testing  
Electric pulley-block testing  
Motor mechanical performance (rotation speed, torque, power included)  
Mitsubishi frequency converter application training  
PLC training
