

Product Name :
Three-Phase Asynchronous Motor

Product Code :
ENGLABINGCAG500018

Description :

Three-Phase Asynchronous Motor

Technical Specification :

Current: 2 / 1.1 amps delta / star;
Frequency: 50 Hertz (s); Power: 370 Watt (s);
Voltage: 220/380 volts delta / star; Type: Squirrel Cage;
Additional features: Include a star / delta switch
