

Product Name :
Single-Phase Asynchronous Motor

Product Code :
ENGLABINGCAG500019

Description :

Single-Phase Asynchronous Motor

Technical Specification :

Power: 1 Force Horse (s);

Voltage: 120 to 240 Volt (s);

Type: Squirrel Cage; Additional

features: Motor with double condenser (start and run capacitor), Rigid horizontal base, NEMA 48 0 56 Frame, CW / CCW Rotation, OPD or TEFC type housing, delivered and running 100% in the Electricity Workshop of the new Center of Villa Nueva Training.
