

Product Name :
Hydraulic Workbench

Product Code :
ENGLABINGCAG510003

Description :

Hydraulic Workbench

Technical Specification :

1x Mobile cart on wheels with dimensions ± 10 :
length 1540mm,
height 1760mm
minimum depth 770mm
1x Double-sided plate for easy fixing of dimensioned components
length 1080 mm minimum
depth 680 mm minimum
1x double-sided front panel for inserting electrical components
2x Fixed cabinet with at least 3 drawers
2x Rubber oil drip tray
1x Cable guide
1x Hose holder
Set of equipment for the study of hydraulics and electro-hydraulics

Engineering Lab Equipment India
