## Product Name : Hydraulic Workbench

## Product Code : ENGLABINGCAG5100003

#### **Description :**

Hydraulic Workbench

## **Technical Specification :**

1x Mobile cart on wheels with dimensions ±10: length 1540mm, height 1760mm minimum depth 770mm 1x Double-sided plate for easy fixing of dimensioned components length1080 mm minimum depth 680 mm minimum 1x double-sided front panel for inserting electrical components 2x Fixed cabinet with at least 3 drawers 2x Rubber oil drip tray 1x Cable guide 1x Hose holder

Set of equipment for the study of hydraulics and electro-hydraulics

# Engineering Lab Equipment India
