

Product Name :
Modular Product System

Product Code :
ENGLABINGCAG5100011

Description :

Modular Product System

Technical Specification :

Control cabinet main circuit power supply: single phase AC220V \pm 10% 50Hz
Control cabinet control loop power supply: DC24V
Temperature: -10 °C ~ 40 °C,
Environmental humidity: ? 90% (25 °C)
Air supply pressure: 0.5 ~ 0.6Mpa
Machine capacity: ? 1KVA
