Product Name : Modular Product Syster

Product Code : ENGLABINGCAG510001

Description :

Modular Product System

Technical Specification :

Control cabinet main circuit power supply: single phase AC220V \pm 10% 50Hz Control cabinet control loop power supply: DC24V Temperature: -10 °C ~ 40 °C, Environmental humidity: ? 90% (25 °C) Air supply pressure: 0.5 ~ 0.6Mpa Machine capacity: ? 1KVA
