

Product Name :
Modular Product System Mechatronics

Product Code :
ENGLABINGCAG5100012

Description :

Modular Product System Mechatronics

Technical Specification :

Control cabinet main circuit power supply: single phase AC220V \pm 10% 50Hz

Control cabinet control loop power supply: DC24V

Temperature: -10 °C ~ 40 °C,

Environmental humidity: ? 90% (25 °C)

Air supply pressure: 0.5 ~ 0.6Mpa

Machine capacity: ? 1KVA
