

**Product Name :**  
Exposer Etching Developing

**Product Code :**  
ENGLABINGCAG5200003

**Description :**

Exposer Etching Developing

**Technical Specification :**

Circuit board plate making precision: 4-6mil, 0.1-0.15mm  
Max image function dimension: 300x200mm(Transparent corrosion slot 1 set )  
Max corrosion dimension: 300x200mm(Transparent corrosion slot 2 sets )  
Max holes dimension: 300x200mm(Transparent corrosion slot 2 set )
