

Product Name :
Exposer Etching Developing

Product Code :
ENGLABINGCAG5200003

Description :

Exposer Etching Developing

Technical Specification :

Circuit board plate making precision: 4-6mil, 0.1-0.15mm
Max image function dimension: 300x200mm(Transparent corrosion slot 1 set)
Max corrosion dimension: 300x200mm(Transparent corrosion slot 2 sets)
Max holes dimension: 300x200mm(Transparent corrosion slot 2 set)
