

Email: sales@engineeringlabequipments.com

Product Name:
Exposer Etching Developing

Product Code: ENGLABINGCAG5200003

## **Description:**

**Exposer Etching Developing** 

## **Technical Specification:**

Circuit board plate making precision: 4-6mil, 0.1-0.15mm

Max image function dimension: 300×200mm(Transparent corrosion slot 1 set ) Max corrosion dimension: 300×200mm(Transparent corrosion slot 2 sets ) Max holes dimension: 300×200mm(Transparent corrosion slot 2 set )

## **Engineering Lab Equipment India**
