Product Name :
PCB Product Line System

Product Code :
ENGLABINGCAG5200010

Description :

PCB Product Line System

Technical Specification :

3KW iodine gallium UV light tube
It is easy for fixing PCB plate
Work zone: 1000MMx1000mm
Digital timer
Counter range:0-999 second auto reset
It can exposure again, separate select up or down exposure.
With vacuum sucker function.
