

Product Name :
Power System Trainer

Product Code :
ENGLABINGCAG5000056

Description :

Power System Trainer

Technical Specification :

Charge controller of 10A for the photovoltaic panels
Charge controller for the wind generator
Single phase Plug
Lamp modules
Stationary battery 12 Vcc 18Ah
Single phase distribution module
Bipolar circuit breaker
Duplo switch modules
Grid tie micro inverter 2030 W
Simulation module with power supply single phase
