

**Product Name :**  
Power System Trainer

**Product Code :**  
ENGLABINGCAG5000056

**Description :**

Power System Trainer

**Technical Specification :**

Charge controller of 10A for the photovoltaic panels  
Charge controller for the wind generator  
Single phase Plug  
Lamp modules  
Stationary battery 12 Vcc 18Ah  
Single phase distribution module  
Bipolar circuit breaker  
Duplo switch modules  
Grid tie micro inverter 2030 W  
Simulation module with power supply single phase
