

Product Name :
Relay Protection and Automation Electric Power Systems

Product Code :
ENGLABINGCAG5000108

Description :

Relay Protection and Automation Electric Power Systems

Technical Specification :

Power supply: 3~380V/220V, 50Hz
Power consumption, Watt: 300
Width, mm: 1000
Height, mm: 680
Depth, mm: 450
