

Product Name :
AC Circuits Trainer

Product Code :
ENGLABINGCAG500109

Description :

AC Circuits Trainer

Technical Specification :

Signal Source:

3 mode, Frequency range 1 - 10kHz. Sine, square and triangular. Variable output voltage level on all waveforms 0-10V peak- to-peak nominal,
Moving coil meter 0-100 mA movement,
scaled 0- 10V peak/mean switchable
