

**Product Name :**  
AC Circuits Trainer

**Product Code :**  
ENGLABINGCAG500109

**Description :**

AC Circuits Trainer

**Technical Specification :**

Signal Source:

3 mode, Frequency range 1 - 10kHz. Sine, square and triangular. Variable output voltage level on all waveforms 0-10V peak- to-peak nominal,  
Moving coil meter 0-100 mA movement,  
scaled 0- 10V peak/mean switchable
