

Product Name :
Testing Modules for Lighting Installation

Product Code :
ENGLABINGCAG5000142

Description :

Testing Modules for Lighting Installation

Technical Specification :

The set of modules for assembling the lighting installations mod. A/EV includes:

- 1 Module AZ-1
- 2 switches for civil uses
- 1 Module AZ-2
- 1 changeover switch for civil uses
- 2 Modules AZ-3
- 2 two-way switches for civil uses
- 1 Module AZ-4
- 2 inverters for civil uses
- 2 Modules AZ-5
- 2 pushbuttons for civil uses
- 1 Module AZ-6
- 1 switch relay (coil of 230 V)
- 1 Module AZ-7
- 2 changeover switch relay (coil of 24 V)
- 3 Modules AZ-8
- 2 lamp-sockets for schematic diagrams with lamps of 230 V

1 Module AZ-9
1 single-phase socket - 230 V - 10 A
1 Module AZ-9a
1 single-phase socket - 230 V - 16 A
