

Product Name :
Transparent Motor Trainer

Product Code :
ENGLABINGCAG5000149

Description :

Transparent Motor Trainer

Technical Specification :

- Three-phase wound rotor asynchronous motor model
- three-phase squirrel-cage motor model
- Single-phase asynchronous squirrel cage motor model
- DC servo-motor model
- single-phase asynchronous motor model
- Three phases synchronous motor model
- Three phase step motor model
- DC generator model
- Three phases AC generator model
- Mine explosion-proof motor
- Permanent magnet generator model Output 6.3V
- DC motor model
