

Product Name :
Different Protection and Alarming Systems

Product Code :
ENGLABINGCAG5000182

Description :

Different Protection and Alarming Systems

Technical Specification :

Training on the operation of surveillance cameras
Training on the operation of night surveillance cameras
Installation and operation of DVRs
Installation and operation of LCD
Training on the principals of electric industrial installations
Circuit breaker - one pole
Circuit breaker - 3 poles
Contactor Circuit
Overload Circuit
Different Relay Circuits
Timer Circuits
Burglar Alarm System
Fire Alarm System
Surveillance Cameras control circuits

Engineering Lab Equipment India
